

health services financing

Commerce Bank – committed to making your medical bills more manageable.

LIFE HAPPENS.

And when it does, Commerce Bank is here to help. Whether your medical service was a planned event or an unexpected visit, making ends meet might not always be easy.

When you open your Health Services Financing (HSF) Account, you can begin to move forward with life – bringing your newborn home or recovering from an illness is made that much easier.

MONTHLY PAYMENTS.

Commerce Bank's HSF account makes your life easier – with an easy enrollment process and an easy payment structure that spreads payments out over time – you'll be back on easy street before you know it.

THE HSF CASH FLOW ADVANTAGE.

Not all patients are able to pay for their out of pocket expenses upon receipt of their invoice. Therefore, special arrangements have been made with Commerce Bank to offer a HSF Account as a payment option that offers:

- Easy enrollment
- One monthly payment
- Ability to fund multiple services on one account
-

We ask, listen and solve.
